EXPERIENCE

Freelance Interactive Art Director/UX/UI Designer

9/05 – Present

Clients include: Snakes & Lattes, York University, SAP, Pie Advertising (VO5, LG, Coast Soap, Irish Spring), Macys.com, Recyclebank, Organic (Bank of America, Eukanuba, Art of Shaving), Dentsu America (Philips HD, Miracle Gro), ISM (Best Western), Brand Content (Monster.com, Keurig, Nantucket Film Festival), Odysseus Data Services, VOX Marketing (Sonos, OpenAir).

Conceived and designed websites, software, web banners, social media marketing and print campaigns for a wide variety of clients.. Worked with international teams and was often lead UX Designer producing complex, data heavy software from scratch sometimes using Agile method. Created and organized branding so that developers could create subsequent pages without constant design direction. Developed branding for restaurants including logos, websites, and menus.

Interactive Designer/Art Director

Modernista - Boston, MA July 06 – November 08

Clients include: Hearts On Fire, Rockport, TIAA-CREF, Hummer, Cadillac

Conceived and designed various interactive campaigns through microsites, web banners, and viral marketing. Was primary designer for Hearts On Fire interactive campaigns, TIAA-CREF banners and the Spring and Fall of '07 campaign for Rockport. Contributed concepts, design and Flash programming to Hummer and Cadillac campaigns.

Associate Producer/Flash Designer & Programmer

Thunder Sky Pictures - Boston, MA January 03 – January 06

Clients include: Siemens, Sonexis, Palomar, FLIR Infrared, LiveVault

Designed and created sales materials: interactive CD-ROM, DVD, Web, and multimedia presentations. Developed training CDs for medical systems using Flash. Produced and edited corporate and industrial videos using Final Cut Pro. Researched and coordinated video shoots, and budgets. Defined work-flow processes and maintained office budgets.
